Let's Paint and Celebrate!

"All you need to paint is a few tools, a little instruction and a vision in your mind." - Bob Ross

Festivals form an important part of our life. To add flavour in this festive season, DPS, GBN organised a Greeting Card Designing Competition in the month of October, for our young artists, on the theme- Diwali/Dussehra. Every child is an artist. Art has the power to transform, to illuminate, to educate, inspire and motivate us. Art encourages children to think, develops skills and helps gain confidence. Children displayed their creativity and made beautiful cards. Children participated with full enthusiasm. The cards made by the students, showed their creativity and self expression. The bright splash of colours on paper symbolized the spirit of festivity and excitement which is just round the corner. It was a pleasure to see the innovative and ingenious ideas of our young students on paper.

Nanhey Kavi - Poem Recitation Competition

"Poetry is the rhythmical creation of beauty in words".

- Edgar Allan Poe

To encourage language development and to instill love for poetry in our young scholars, an Intra Class Hindi Poem Recitation Competition-Nanhey Kavi was organised on Tuesday, October 20, 2020 for Classes I-III. Children recited Hindi poem on the theme –Festivals. This activity was organized to explore and encourage the speaking skills in Hindi and uplift the confidence in children. Children got a golden opportunity to showcase their poetry recitation skills. They enjoyed reciting the poems during the online session while adding the elements of expressions, thoughts, feelings, rhyme and rhythm. Students were judged on parameters like content, clarity of speech and voice modulation. Children participated with full enthusiasm and enjoyed the event.

Our Young Chefs!

"Cooking with kids is not just about ingredients, recipes and cooking. It's about harnessing imagination, empowerment and creativity." -Guy Fieri

It is rightly said, 'Give a man a fish and you feed him for a day; teach a man to fish and feed him for a lifetime.' Work Education forms an integral and indispensable part of a schools' curriculum. It provides the basis for building up proper attitudes towards work, developing favourable work values and habits, imparting necessary knowledge, and developing appropriate skills, which can help the children to become productive and self-reliant in meeting their day-to-day needs. At DPS, GBN we firmly believe in making Work Education as an organized and meaningful area for the students. The theme for October was Smitten Kitchen. Children prepared many child friendly dishes like Sweet Mountain, Nacho Salad, etc. which was enjoyed by their whole family and made their family members proud of them. It was an infotainment class, as not only the children had fun, they learnt something new. They learnt how to serve the dishes, learnt different etiquettes and were also made aware about the nutritive value of all the ingredients. Children enthusiastically participated and had fun while preparing these dishes.
