Celebrations at DPS, GBN

"The more you celebrate your life, the more there is in life to celebrate." – Oprah Winfrey

Celebrations are a unique way to bind people together. It fosters peace, harmony and unity. Keeping this spirit in mind, DPS, GBN virtually celebrated the festivals of **Eid, Raksha Bandhan and Janmashtami** with great zeal and enthusiasm. Special assemblies for the students were conducted to celebrate these festivals. The beautiful bhajans sung by our own student vocalists left each one of us spellbound. Many activities were planned for our children of all age groups. The students of classes II and III enjoyed learning a dance on Eid which rejuvenated their souls. All the children enjoyed making colourful and beautiful *Rakhis* which unleashed their creativity, and sang the *Janmasthmi* prayer which reminded the students of our rich culture and tradition. All the students enjoyed celebrating these festivals.

My India, My Pride

"Freedom is the open window through which pours the sunlight of the human spirit and human dignity."

– Herbert Hoover

Independence Day celebration at school often means a beautifully decorated campus with ribbons and balloons of the national flag's colours, students proudly singing the National Anthem and looking forward to present some amazing dance and song performances. However, this time the Coronavirus pandemic added a twist to the **74th Independence Day celebrations**. This time patriotism has found a digital expression. On August 14, 2020 Students of class Xth initiated a virtual assembly for all the children. Students of classes I - III participated online with great enthusiasm. Children dressed in colourful patriotic dresses, sang the National Anthem and saluted the National Flag during their online assembly.

To make this day memorable and special for all our children, a plethora of activities were planned. On one hand, Class II presented an online assembly wherein children themselves became the master of the ceremony. It was a pleasure to see these young stars saying the thought for the day, amazing facts and news with great confidence. They also recited a few lines on our national leaders like

Mahatma Gandhi, Bhagat Singh etc. They ended their assembly by reciting poems and songs. Students of class III learned about our freedom fighters and the history of our National Flag by watching an informative online presentation and, made the national flag with pulses. Students of class I enjoyed making tri colour badges and students of classes II and III made drawings of famous monuments like India Gate etc in their art class. Students of classes I and II relished their theme snacks during the break. All the children enthusiastically took part in the grand celebration and enjoyed their day.
