SNIPPETS

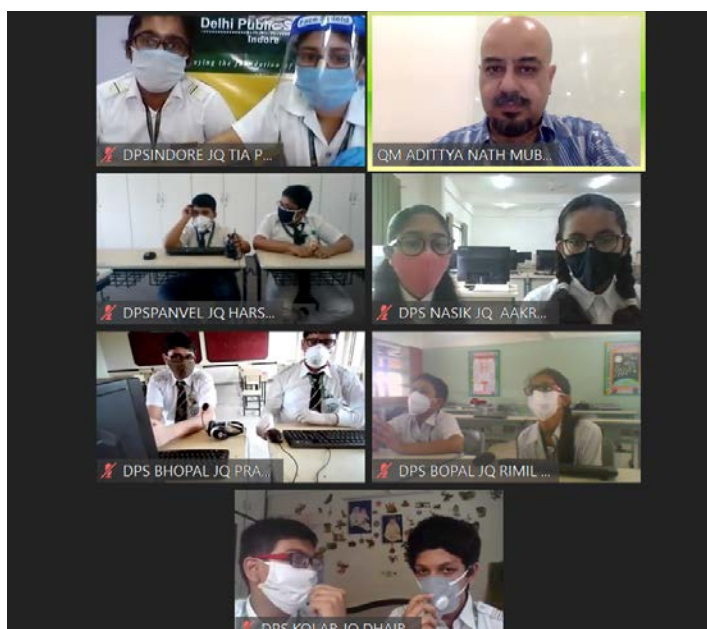

CONDOLENCE

Those we love don't go away; they walk beside us every day. Unseen, unheard, but always near; still loved, still missed and very dear.

With deep pain and sorrow, we regret to inform you that our dearest Anmol Tandon, student of XI-D is not with us anymore. He charmed everyone with his magnetic smile, a great basketball player who touched every heart alike. He was extremely respectful towards his teachers and helpful to his friends. We extend our sincere condolences to the parents and family. May God give them strength to bear this loss!

INTER-DPS QUIZ 2020

The fifth round of Zonal Virtual Inter- DPS Quiz 2020 was hosted by Delhi Public School, GBN on **October 16, 2020**. It was the first Quiz Contest in the history of Delhi Public Schools which was being conducted on a digital platform in line with the social distancing norms due to the global crisis of Covid 19 pandemic.

DPSites from **25 schools** across the country assembled on the common platform to take the legacy of fostering the spirit of healthy competition and holistic development further by competing against each other in this Virtual Quiz Competition. The event was graced by the presence of **Dolly Chanana Ma'am**, Joint Director DPS Society and the coordinator of the event. The event concluded with the Finals and announcement of the DPS Kolar Road, Bhopal as the winner for both the categories. Overall, it was great learning experience for all.

Special Achievements

“Success is the sum of small efforts, repeated in day-in and day-out”

Utkarsh Upadhyay of Class XII made DPS, GBN proud by winning the **First Prize in French Declamation Competition** organized by Mayo College, Ajmer as a part of ‘European Day of Languages’. Around 45 schools, at national and international levels participated in this event. The competition was held for Spanish, German and French languages.

The Key to Success is to Focus on Goals, not Obstacles

We are extremely proud to inform you that our student **Jia Kumar**, class IX-A has set a record for being the fastest to recite the **Periodic Table** blindfolded. She has entered **India Book of Records** for being the fastest to recite 118 elements of the periodic table in the least time i.e. 25 Seconds and 20 milliseconds with blindfold. For her brilliant achievement, Jia was awarded Merit Certificate and Medal by India Book of Records. The news of her achievement has been covered in Times of India and Navbharat Times. We are proud of our young achiever!

Mission Shakti – Women and Child Cyber Safety

Cybercrime is the biggest challenge these days with development and access to technology across the globe. On October 2020, a workshop for the students was conducted by DCP Vrinda Shukla and ACP Ankush (Police Commissionerate, GBN, Sector-108). The resource person, Dr Rakshit Tandon (Director / Co-founder of Hacker Shala/Codes Nag) made the students aware of cyber abuse. Alertness was created with Cyber Security details and protection of digital identity. Young minds were clarified regarding security and safety tools along with offences under the Information Technology Act 2000/2008. The session concluded with the safety measures which can be followed by students. At last helpline numbers, 1090 and emergency number 112 were shared. It was a very informative workshop.
