## Fun and Frolic Day

*"Children are like buds in the garden and should be carefully and lovingly nurtured as they are the future of the nation and citizens of tomorrow."*

~Pt. Jawaharlal Nehru

Each child is unique and is a reason for our smile and happiness. To make our children feel special, Daycare and Nursery celebrated 'Fun and Frolic Day' on November 19, 2020. The theme of the party was 'Crazy Hairstyles'. The teachers and children made funky hairstyles and waited eagerly for the celebration to start. Kids enthusiastically participated in games organized by their teachers. They giggled as they tried to balance balloons, lemon on spoon and papers on straws. Further, they enjoyed watching Tom and Jerry movie as they munched popcorns and snacks along. The smiles that the celebration left behind on children's faces will be cherished forever.

## Pyjama Party

At DPS, GBN, we aim at providing young children with the opportunity to develop their social skills by interacting and having fun especially during the pandemic time. Keeping this thought in mind, Daycare organized a fun 'Pyjama Party' for their kids on November 10, 2020. There was so much excitement among the kids as they entered the class wearing colourful pyjamas and spoke about the colour and the characters drawn on it. To add fun to the party, teachers had requested the parents to arrange some pop corns for the party at the end. Kids were eagerly waiting to enjoy pop corns with their friends and teachers. It was a different experience for the kids and enjoyed by everyone.

## Diwali Celebration

A festival of lights, happiness and prosperity, Diwali is one festival which spreads light over darkness. To make this festival a long-lasting memory in our mind, Preprimary wing of DPS, GBN organized 'Diwali Celebration' on November 11, 2020. The children looked stunning in their traditional outfits and were highly enthusiastic to make decorative items for their homes. The kids of Daycare and Nursery made a wall hanging and painted diyas with their teachers and were excited to decorated them with glitters and sequins. Children of grade Prep made beautiful 'Torans' and decorated them with their own creativity. The little artists were thrilled of their creation and happily flaunted it to their friends and teachers. The story and purpose behind the celebration of this grand festival was also explained to the kids by the teachers. The children pledged to celebrate 'Green Diwali' this year. Any celebration remains incomplete without the pinch of dance, so the children as well as the teachers brought the celebration to the end by grooving on some foot tapping songs. It was indeed a splendid commemoration for the kids, teachers as well as the parents.

## Flower Show Competition

*I am a little flower,  
Mom put me out,  
If you take care of me,  
I will sprout.*

*When you water me I will grow,  
Into a pretty flower, don't you know?*

Flowers are the prettiest thing that Mother Nature has given to us. To bring our kids closer to the nature and to enhance their knowledge about variety of flowers, Nursery conducted a 'Flower Show Competition' on November 5, 2020 in which our blooming buds adorned themselves as their favourite flowers and spoke 4-5 lines describing them. The kids looked adorable as they revealed themselves as beautiful flowers and spoke with conviction. It was truly a visual treat to watch the innocence of kids and beauty of flowers in one frame.

## Health and Hygiene Week

As an educational institution, we at DPS, GBN give utmost importance to the health and safety of our little ones. To take this thought forward, Nursery celebrated 'Health and Hygiene Week' from November 23, 2020 to November 27, 2020. The aim of this activity was to make the children aware about oral hygiene and overall cleanliness through experiential learning. Different activities like storytelling, hand wash and toothbrush activities were planned during the week. It was an informative experience for our kids that gave them a deep insight about a healthy and hygienic lifestyle.

## Children's Day Party

*"The children of today will make the India of tomorrow. The way we bring them up will determine the future of the country."*  
~Pandit Jawaharlal Nehru

Children's day is a great occasion to remember the famous thoughts of Chacha Nehru. Every kid has the right to enjoy his childhood and make memories. To celebrate the joys of childhood, grade Prep organized 'Children's Day Party' on November 18, 2020. The kids were looking splendid as they were all dressed up in their best party outfits. They were thrilled and delighted to see that their teachers were all set to play lot of fun games with them like- Blind-fold game, Lemon game and Chit game. Not only the kids but the mothers were also amazed as they also participated with their little champs. It took everyone back to the memories of their childhood. The kids thoroughly enjoyed doing the funny actions written for them in the chits. They sportingly participated in all the games and enjoyed them to the fullest. Then the kids as well as the teachers twisted together on their favourite party songs and lastly the little munchkins relished their party food. The whole event was delightful, full of laughter, fun, beautiful moments and gave us imperishable memories

## Back to Basics Competition

*The diversity of India, of our civilization, is actually a thing of beauty, which is something we are extremely proud of.*

~Narendra Modi

India has always been considered a culturally rich country with diverse food habits, traditions, beliefs, social customs, attire, language, festivals, etc. The unique mixture of Indian cultures is what sets us apart from the other nations. It is important for the children to understand the beauty of their native origin. To take the children back to their roots, grade Prep organized 'Back to Basics Competition' for the kids on November 5, 2020. The children represented their cultures and traditions beautifully with the help of dance, music, paintings, etc. They unfolded their cultural values through their magnificent speech which filled everyone's heart with emotions and sentiments. The kids were fantastically groomed in their traditional attire, which represented their native roots in the best way. Their mesmerizing performances took all of us to the whole tour of India's varied cultural values, customs, belief systems and heritage.
