Learning never stops at DPS, GBN

DPS, GBN have always believed that learning is an ongoing process and, that change can also be a wonderful opportunity for our growth. In the shadow of the ongoing pandemic, amidst a lockdown, Classes I-III introduced online classes to bring in continuity in learning. These carefully designed, child friendly videos made with special effects, engaged and enthralled our young learners to stay committed to their academic learning and to learn new skill sets. To cultivate the value of life skills such as self-reflection, critical thinking, problem solving and good interpersonal skills, Class II shared videos related to fitness, gardening, non-fire cooking etc. These skills helped the young Dipsites to be independent and responsible. Truly, learning never stops at DPS, GBN.

Art Competition – Paint Away The Lockdown Blues

“You can’t use up creativity. The more you use, the more you have” -Maya Angelou

The Coronavirus lockdown has restricted all of us inside our homes but, the creativity and the spirit of the students can never be locked down. Keeping this thought in mind, DPS, GBN organized an Online Art Competition, ‘Paint Away The Lockdown Blues’ for Classes I-III from April 20-26, 2020, on the theme – Let’s Fight Covid-19 Together. The students uploaded their paintings based on the topic, ‘How to Stay Safe, Healthy Lifestyle, Good Hygiene Habits and My Quarantine Story’ which were part of Category A. It was heartwarming to see our little artists unleash their expressions and thoughts in their paintings, posters and sketches. This also provided a platform to get acquainted to the digital platform to display their work. They were judged on creativity, content and presentation. The enthusiasm amongst the participants was laudable.

Fancy Dress Competition- Best Out Of Waste

"Clothes make a statement. Costumes tell a story."

-Mason Cooley

At DPS, GBN, we always believe in building social, creative and communication skills amongst our students. An online 'Fancy Dress Competition' was organised for the students of classes I - III for which the result was declared on Sunday, May 10, 2020. The theme of the competition was 'Best out of Waste', however, the sub themes for classes I-II was 'Swachh Bharat' and for class III was, 'Depict your Future- What do you want to be?'. The students put together colourful and unique costumes or props. They ramp walked, flaunting their creativity, and spoke about the theme, all which was shared in a video. The efforts and hard work of children and the parents was highly commendable. Students were judged on their creativity, confidence and overall presentation. The competition proved to be a great experience for our young ones and gave them a platform to explore their hidden talents while at home.

Mother's Day

"A mother is your first friend, your best friend, and your forever friend" - Unknown

Mother's love is unconditional. They have a profound and long-lasting impact on the emotional wellbeing of the children. They gently steer the child to live a life of worth and value, nudging them not only to dream, but to achieve those dreams. To celebrate the essence of motherhood, classes I to III celebrated 'Mother's Day' from May 10-12, 2020. Children not only helped their mothers with various chores and errands for the day, but these little hands also made beautiful things for them. Teachers of class I shared a song dedicated for the mothers while class II made a beautiful pasta necklace for them to keep forever. Children of class III made a crown for their mother. Their little coronation ceremony at home made their mothers feel very loved and royal! Videos were also shared on Facebook. These moments left a lasting impression on all the mothers'

The Learning Expedition

At DPS, GBN, we facilitate thinking, engage minds and motivate students, to bring out the best in them. The ongoing pandemic presented us with unknown challenges, but in our continued effort to connect with our students and, for them to unleash their creativity and showcase their talent, DPS, GBN brought to its students its own Facebook Page. Our young learners of all age groups embraced it wholeheartedly and enthusiastically participated in the competitions and challenges like Poster Making, Baking, Fusion Dance etc. These competitions were organized specially for them. Participation videos posted have been appreciated by one and all. How to make flags of different countries using a Rubik's cube, Celebrating Earth Day, Mother's Day etc. were some of the educative and informative videos also shared with the children. The whole DPS family has come together motivating, supporting and staying committed to each other. It has become a great force to reckon with.
