Red Day Celebration

Colour is one of the most noticeable attributes of the world around us. Colour recognition can provide children with essential learning tools in life and to develop the same, 'Red Day' was celebrated virtually with the kids of Nursery on April 28, 2020 and Day care on May 6, 2020. All the children along with their parents and teachers were dressed up beautifully in red coloured clothes. The celebration began with a healthy interaction where children greeted their teachers and friends. The kids of Day care were shown red objects and together they sang the rhyme 'Red Red Apple' whereas, Nursery kids were shown red coloured objects through an activity called 'Mystery Bag'. To add up to the celebration, a very interesting activity of making 'Watermelon Cooler' was organized wherein, the children of Nursery enjoyed making and sipping refreshing cooler and Day care kids enjoyed making red Roohafza for themselves with the help of their parents. It was an interactive session to introduce red colour where everyone participated actively!

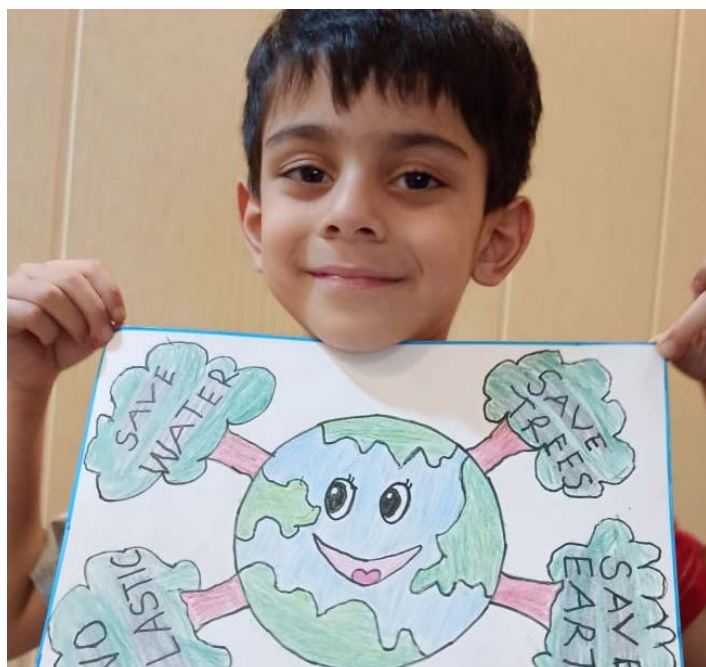

Earth Day

"Love the Earth as you would love yourself"

– John Denver.

Earth is God's best gift to us and in order to honour our planet, we at DPS, GBN celebrated 'Earth Day' virtually with our pre-primary kids on April 22, 2020. Children were educated about 'the ways to save our mother Earth' through a video and a craft. To add some fun and creativity in the celebration, a 'Poster making activity' was also planned wherein, the scholars of grade Nursery & Prep made a poster related to Earth day and sent their videos/pictures to us. The best ones were posted on our Facebook page.

So, we celebrated Earth day with a promise to join hands and make our Earth a better place to live in. After all, it's our Earth and it is our responsibility to keep it clean and healthy.

Mother's Day Celebration

"God could not be everywhere, and therefore he made mothers" - Rudyard Kipling

'Mother's Day' is a special day of the year that you celebrate with your first best friend and the person you always turn to when you need any advice, and she is our Mother. To celebrate the spirit of motherhood and felicitate the special bond that a child has with his mother, the videos of Mother's Day card making, Breakfast making and Nail-art, made by the teachers were sent to the kids of grade Prep on May 8, 2020. Parents shared the pictures/videos of Mother's Day card and breakfast prepared by their little ones which really touched our hearts and showed how the kids pampered their mothers on this special day. The fathers of Day care and Nursery kids were asked to secretly make a video or click a photo of their children saying/doing something special for their mothers.

To salute all the mothers for their undying and unconditional love, we shared a video presentation of all the mothers with their kids on May 10, 2020. The mothers were overwhelmed by the video as it simply indicated that 'The influence of a mother in the lives of her children is beyond calculation'.

Fancy Dress Competition

"Clothes make a statement. Costume tell a story"

– Mason Cooley

Believing in this quote, DPS, GBN organized a virtual 'Fancy Dress Competition' on the topic- 'Best Out of Waste'. Children of grade Nursery & Prep were required to dress up along with the accessories using best out of waste material depicting the theme- "Go Green". Hence, the children adorned themselves in beautiful dresses made out of newspaper, plastic bags, leaves, waste carton boxes, rugs etc. They flaunted their creativity by doing a ramp walk and giving a message of 3 golden rules- Reduce, Reuse and Recycle.

The last date to submit the entries was May 5, 2020. The performances were judged on following parameters - Creativity, Confidence and Wow factor. The result was announced on May 10, 2020 and a video of the winners was posted on the school's Facebook page.

Yellow Day

A very important part of learning during the kindergarten years is identification and recognition of colours.

To strengthen the learning of colour 'Yellow', Nursery kids enthusiastically celebrated 'Yellow Day' virtually on May 11, 2020. Children dazzled in their yellow coloured attire and had a gala time dancing on their favourite songs. As a part of the celebration, a 'Show and Tell' activity was also organized wherein, the children spoke few lines on a yellow coloured object that they were carrying. The session was enjoyed by one and all.
