- Teachers' Participation

SNIPPETS

Welcome Note

As the new Session approached with new goals amid trials and tribulations, the baton of our institution could not be handed over to a more seasoned and inspiring presence. At the helm of DPS, GBN is Ms. Supriti Chauhan, a multi-faceted educator, who has donned many hats throughout her career.

A British Council Training Consultant, Ms. Chauhan has made it her lifelong mission to touch lives through the power of knowledge and has instilled in us a renewed passion and resilience against all odds.

The Management, Staff, Teachers and Students warmly welcome her.

An eminent name in academia, Ms. Chauhan possesses qualitative experience in teaching and administration with premium schools in the NCR, Bangalore and Pune. She is opulently experienced in the entire gamut of school administration inclusive of curriculum planning, teacher training, and development of managerial aspects of school education. Her greatest strengths are her logical and critical thinking, ability to solve the problem quickly and efficiently, excellent communication skills and management ability.

We are sanguine that with her vast experience and incisive skills, DPS, GBN will propel to greater heights. We wish her a successful and noteworthy tenure in her new assignment and look forward to her guidance and mentorship in shaping the School.

From The Principal's Desk

Dear Students

Despite the challenges that Covid threw at us, each one of you navigated your way beautifully! I am so proud to see you all as 'Online Heroes' who not only did well in the past School year but are also doing phenomenally well in the current one! Each day we celebrate your online learning achievements and accomplishments and feel inspired with your spirited demeanour.

The way you are managing yourself, your studies, your time at home with your family; all of it is a learning in itself. Cherish these times for this is a valuable experience of a lifetime.

We look forward to welcoming you to the School when things are safer... I am optimistic that everything will be better and we will all be together in School soon... until then keep learning and don't forget to help your siblings, mom and dad!

Be a Superstar that you are! God bless...

Lovingly

Supriti Chauhan
Principal
Delhi Public School,
Gautam Buddh Nagar

Learning Never Stops

"Desire is the starting point of all achievement, not a hope, not a wish, but a keen pulsating desire which transcends everything."

- Napoleon Hill

Ms. Rachna Saxena

Ms. Sharmila Basu

Ms. Priyanka Wadhwa

The CBSE in collaboration with the British Council and Alpha Plus organized a training course for teachers in March 2021 on **How to Design and Develop Items for Assessment**. The hard work, determination and dedication of our Teachers Ms. Rachna Saxena, Ms. Sharmila Basu and Ms. Priyanka Wadhwa were recognized and their contents were selected by the CBSE. They were rewarded with an honorarium of Rs. 6000 each.

Dedication and Perseverance

Ms. Anjali Sharma, PGT Chemistry, **DPS, GBN** has been selected to be a part of **Exemplary Teachers of Change** (September 2020 - February 2021). She will be the only facilitator to represent **UP as an ATL Mentor**. In addition, she has already been appointed as **Regional Teacher of Change (RToC)** to guide 25 schools of Uttar Pradesh in ATL.

'Electoral Literacy is the Need of the Hour for a Healthy Democracy in India'

DPS, GBN takes pride to inform the achievement of its stellar student Aadit Malhotra of Grade XII. Aadit bagged second position for his article '**Electoral Literacy is the Need of the Hour for a Healthy Democracy in India**' in **ThePrint**. In the article, he has expressed his opinion on the elections in a democratic set-up and how we can

hold the politicians accountable for their actions. He was felicitated by the Pro-Vice Chairman of **DPS, GBN**.

His article can be accessed through the following link:
<https://theprint.in/campus-voice/electoral-literacy-is-the-need-of-the-hour-for-a-healthy-democracy-in-india/683015/>

Enrichment Classes

In a constant endeavour to make students competitive, **DPS, GBN** organized enrichment classes for the new admissions and held problem-solving classes during the summer vacations. The students participated enthusiastically and interacted freely with their subject teachers. These specially structured classes are always beneficial to develop the bond between students and teachers.

Resuming Online Classes

The school is the second home to students where they learn, grow, make friends and experience life from different perspective. The recent pandemic has caused disruptions in our established system of imparting education. As determined **Dipsites**, we have been able to adopt new methods of instructions to impart education through online media. After summer vacations, the school reopened to welcome our students for yet another year of learning and growth. We have accepted the fact that the world has drastically changed in the past two years and **DPS, GBN** can proudly say that it has imbibed this change enthusiastically and holistically.

WE Classes: Exploration, Expansion and Conquest!

The framework, structure and curriculum of education have been changing with time. To help our students in this, **Work Experience** classes are conducted to assist our students to face the demands and challenges of daily life effectively by developing skills like critical thinking, problem-solving, decision making, effective communication, creative thinking and empathy.

Many activities are being practised at **DPS, GBN** to keep class interesting and let students stay engaged creatively. Work Experience includes a diverse set of activities like Quiz, MUN, Theatre, Calligraphy, Multimedia, Glass Painting, Origami and Science, Maths & Language Clubs.

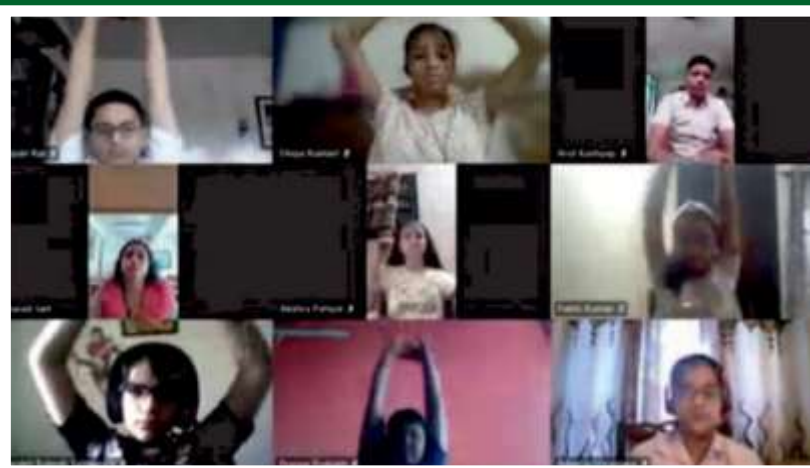

The experiences of these classes complement academic studies by providing another way of learning outside the conventional curriculum. It equips the students with crucial knowledge, skills and personal attributes that play a pivotal role in the overall development of their personalities.

International Yoga Day

Yoga balances the body, clears the chakras and helps to overcome anxiety and stress. This is an invaluable gift of India's ancient tradition; inspiring people around the globe.

Since the inception of **International Yoga Day**, **DPS, GBN** has been celebrating it with full dedication and vigour. The 7th International Yoga Day was celebrated on 21st June, 2021, while performing yogic exercises by students and teachers. The importance of the *yogic asanas* was highlighted and students were exhorted to include yoga as a part of their daily lives. Yoga Day carries the message of maintaining good health. Regular practice of yoga will surely enhance the physical, mental and spiritual dimensions of our students.
