- Up and Away- Class Excursions

SNIPPETS

Gandhi Jayanti

"You must be the change you wish to see in the world."- Mahatma Gandhi

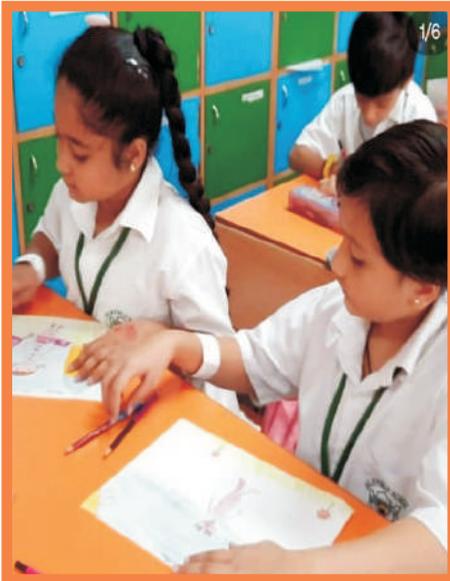

Change is imperative for growth; we just need to know where to begin. Keeping this ethos in mind, DPS, GBN organized an array of activities for the Students of Grades III – V to mark the occasion of Gandhi Jayanti. Students of Grade III enjoyed making Posters on India of my Dreams/ Bapuji, Father of the Nation, Grade IV shot a small video on an Indian Product and Grade IV wrote some incredible Articles. This Activity aimed to enhance the Creative Skills of our Young Dipsites and to inculcate the importance of Sustainable Development Goal 16: Peace, Justice and Strong Institution in them.

Art Attack

"I dream of painting and then I paint my dream."-Vincent Van Gogh

It is rightly said, "There is an artist in each child, all they need is a canvas to paint their imagination". Keeping this in mind and to explore the creative potential of our Young Scholars, a Painting Competition was organized by Hindustan Times for the Students of Grades III-V in the School premises. Students also enthusiastically participated in 'All India Swacch Bharat Art Competition' organized by National Education and Human Resource Development Organisation. Students beautifully painted their imagination on paper and came up with some interesting and remarkable masterpieces. The Competition was indeed a great platform for our Artists to showcase their artistic and creative skills. Our Young Artists uncovered their natural talent and this allowed them to engage in creative exercise with a competitive spirit at its best!

Deep Utsav

'Let us move from untruth to truth and from darkness to light.'

The Diwali celebrations at School embellished the Classes with diyas and lanterns bringing about a festive vibe. These activities permeate the school premises with an atmosphere of togetherness and hope. The Students of Grades IV-V celebrated the festival of Diwali with great enthusiasm proving that creativity and talent are without boundaries. To mark the occasion, an Assembly was organised on 21st October 2022, by the Students of Class V. They spoke about the origin and significance of the festival. This wonderful presentation of the Assembly instilled a sense of victory of good over evil, bringing light over darkness, knowledge over ignorance and hope over despair. The Students of Class IV continued the Diwali celebrations with the making of beautiful Rangolis and decorated Diyas.

The Early Act Club (Junior Interactors) also organized a Diwali donation drive Campaign from 11th - 14th October 2022 to help the underprivileged. The entire presentation filled the hearts of all students with the spirit of Diwali which they enjoyed wholeheartedly.

English Activity

"Don't wait for inspiration. It comes while working."- Henri Matisse

Our Creative Learners of Grade III indulged in an interesting 'Kite Making' Activity in Creative English with complete zeal and enthusiasm. The Students made colourful kites and wrote vocabulary related to it. It enhanced their word power and gave them an insight to a kite flying experience. Our Young Minds also performed the 'Verb Sandwich Activity' that educated, brightened and enlightened the young brilliant minds. Our Students revised the concept of verbs by making delicious sandwiches which were a visual treat tickling the taste buds! The Activities witnessed an enthusiastic participation and enunciated upon the fact that creative based learning plays a vital role in every facet of Students' life.

Up and Away- Class Excursions

"Fill your life with experiences. Have stories to tell and tales to explore"

- Anonymous

Getting away from the everyday environment the Classroom gives Students an opportunity to spend time with each other in a new surrounding. Keeping this in mind, the School arranged educational and fun trips for the Students of Classes III to V from 18th to 20th October 2022. The Students of Class III visited The National Zoological Park to explore nature. They were captivated by the presence of the animals and were mesmerized by the flora and fauna too. Students of Class IV enjoyed their visit to an Adventure Camp which enabled them to strengthen their physical abilities in a fun-filled manner while the Students of Class V honed their historical knowledge as they visited different monuments of Delhi. By engaging our Students in these hands-on experiences, they will be enabled to connect to the knowledge learned in the classroom to real-world situations by way of Experiential Learning.
