• Special Assembly, Themed on 'Earth Day', Hosted by Grade 9

DPS, GBN celebrated Earth Day with great enthusiasm and fervor on April 22,2025 during the morning assembly, hosted by Grade 9 Students. The assembly took place in the School auditorium. The event was themed around 'Earth Day', promoting environmental awareness and sustainability. The ceremony began with our Principal, Ms Supriti Chauhan, planting a tree sapling, symbolizing our commitment to nurturing the planet.
The assembly commenced with the national anthem, followed by a serene school prayer, setting a reflective tone for the celebration. The School choir group then enthralled the audience with a soulful earth-themed song, spreading a message of love and care for our planet. The thoughts for the day were shared, inspiring Students to reflect on their actions. The news reading segment kept Students updated on current events.
A thought-provoking Nukkad-Natak on the same theme was performed, highlighting pressing environmental issues and inspiring Students to act. This was followed by an impactful speech, raising awareness about the significance of Earth Day and encouraging sustainable practices. To further engage Students, an Earth Day quiz was conducted, testing their knowledge about the environment and promoting learning through fun. A captivating dance performance that emphasized the importance of protecting our earth and its resources mesmerized everyone present.
The Senior -Wing Coordinator, Ms Anjali Sharma, delivered an inspiring speech, emphasizing the role of individual actions in protecting the planet and encouraging Students to become eco-conscious citizens. The event concluded with a renewed commitment to protect our planet and promote sustainability in our daily lives.
The Earth Day assembly was a resounding success, fostering a sense of responsibility and environmental awareness among Students.

• Celebration of Earth Day at DPS, GBN
